STCU | P.O. Box 1954, Spokane, WA 99210-1954 | 509.326.1954 | 800.858.3750 | stcu.org

This Agreement is the contract which covers your and our rights and responsibilities concerning Business Electronic Services offered to you by Spokane Teachers Credit Union ("Credit Union"). In this Agreement, the words "you" and "yours" mean the business organization enrolling for or using an electronic service. The words "we," "us," and "our" mean the Credit Union. The word "account" means any one or more deposit accounts you have with the Credit Union.

By signing the Account Card, completing and transmitting an online Account Card or service request, signing or using an EFT service or access device, each of you, jointly and severally, agree to the terms and conditions in this Agreement, and any amendments and certify that the services are intended for business purposes only. Electronic funds transfers ("EFTs") are electronically initiated transfers of money through direct deposits, automated teller machines ("ATMs"), Point of Sale ("POS") terminals, Debit Card, Telephone Banking, Online Banking, Bill Pay, Mobile Banking and Mobile Deposit transactions involving your deposit accounts at the Credit Union.

I. MEMBERSHIP AND ACCOUNTS

1. Automated Teller Machine Services (ATMs)

- a. *ATM Transactions.* Upon approval, you may use your Debit Card and your Personal Identification Number ("PIN") in automated teller machines of the Credit Union and the ATM network, CO-OP, PLUS and such other machines or facilities we may designate. At the present time, you may use your Card to make the following transactions on your accounts:
 - Withdraw cash from your savings and checking accounts.
 - At designated ATMs to make deposits, inquiries, or transfers between your savings and checking accounts.
 - Other transactions as offered and permitted in the future.
 - Some of these services may not be available at all ATMs.
- b. *ATM Service Limitations.*
 - i. *Cash Withdrawals.* There is no limit on the number of withdrawals you may make at Credit Union ATMs and nonproprietary ATMs. However, you may be charged a fee as set forth on the Fees Schedule. You may withdraw up to \$1010.00 (if there are sufficient funds in your account) per calendar day (for purposes of the daily limit, a day ends at midnight) at any authorized ATM, subject to our security limits and any limits on each ATM.
 - ii. *Transfers.* You may transfer between your savings and checking accounts up to the balance in your accounts at the time of the transfer at available locations.
 - iii. *Deposits.* The servicing and processing schedule of ATMs may result in a delay between the time a deposit is made and when it will be available for withdrawal. You should refer to the Credit Union's Funds Availability Policy.

2. Debit Card Purchases

You may use your Debit Card to purchase goods and services any place your Card is honored by participating merchants, including Point of Sale (POS) terminals within the networks or such other POS terminals as the Credit Union may designate. Funds to cover your Card purchases will be deducted from your checking account. If the balance in your account is not sufficient to pay the transaction amount, the Credit Union may treat the transaction as an overdraft request pursuant or may terminate all services under the Agreement.

There is a limit on the number of POS purchase transactions you may make by Card of 25 transactions per day. No purchase may exceed the available funds in your account. You may make POS purchases up to a maximum amount of \$5,000.00 per calendar day. The Credit Union reserves the right to refuse any transaction which would draw upon insufficient funds or lower an account below a required balance. The Credit Union may set other limits on the amount of any transaction, and you will be notified of those limits. The Credit Union may refuse to honor any transaction for which you do not have sufficient available verified funds.

3. Conditions of Card Use

The use of your Debit Card and Account are subject to the following conditions:

- a. *Ownership of Cards.* Any Card or other device which we supply to you is our property and must be returned to us (or to any person whom we authorize to act as our agent, or to any person who is authorized to honor the Card), immediately according to instructions. The Card may be repossessed at any time in our sole discretion without demand or notice. You cannot transfer your Card or Account to another person. You may not use the Card for any illegal or unlawful transaction, and we may decline to authorize any transaction that we believe poses an undue risk of illegality or unlawfulness.
- b. *Honoring the Card.* Neither we nor merchants authorized to honor the Card will be responsible for the failure or refusal to honor the Card or any other device we supply to you. If a merchant agrees to give you a refund or adjustment, you agree to accept a credit to your Account in lieu of a cash refund.
- c. *Security Access Code.* The personal identification number or access code that you select is for your security purposes. An access device or "Mobile Device" means a smartphone, tablet, or any other hand held or wearable communication device that allows you to electronically store or electronically present your debit card or debit card number ("Digital Card Number") and use that Digital Card Number to make debit card transactions. You should secure Mobile Devices the same as you would your cash, checks, credit cards, and other valuable information. We encourage you to password protect or lock your Mobile Device to help prevent an unauthorized person from using it. If you authorize anyone to use your access device with your stored debit card number in any manner, that authority will be considered unlimited in amount and manner until you specifically revoke such authority by notifying the Credit Union and changing your access code immediately. Access codes are confidential and should not be disclosed to third parties or recorded on or with the Card or account information. You are responsible for safekeeping your access code. You agree not to disclose or otherwise make your access code available to anyone not authorized to sign on your accounts. If you authorize anyone to have or use your access code, you understand that person may use the Online Banking Service to review all of your account information and make account transactions. Therefore, we are entitled to act on transaction instructions received using your access code and you agree that the use of your access code will have the same effect as your signature authorizing transactions.

If you authorize anyone to use your access code in any manner that authority will be considered unlimited in amount and manner until you specifically revoke such authority by notifying the Credit Union and changing your access code immediately. You are responsible for any transactions made by such persons until you notify us that transactions and access by that person are no longer authorized and your access code is changed. If you fail to maintain or change the security of these access codes and the Credit Union suffers a loss, we may terminate your electronic funds transfer and account services immediately.

- d. **Foreign Transactions.** Purchase and cash advance transactions made in or with merchants located in foreign countries or in foreign currencies will be billed to you in U.S. dollars. The currency conversion rate for international transactions is a rate selected by our card network from the range of rates available in wholesale currency markets for the applicable central processing date, which rate may vary from the rate the card network itself receives or the government-mandated rate in effect for the applicable central processing date. In addition, we may charge you a Foreign Transaction Fee of 2% of the settled transaction amount in U.S. dollars for all purchase transactions made in a foreign currency or transactions with merchants located in a foreign country, regardless of currency conversion.
- e. **Illegal Use of Internet Gambling.** You agree that all transactions that you initiate by use of your Debit Card are legal in the jurisdiction where you live and/or where the transaction occurred. Internet gambling may be illegal in the jurisdiction in which you are located, including the United States. Your Debit Card may only be used for legal transactions. Display of a payment card logo by an online merchant does not mean that internet gambling transactions are lawful in all jurisdictions in which you may be located. We have restricted all online gambling transactions with the Debit Card.
- f. **Non-Mastercard Checking Transactions Processing.** We have enabled non-Mastercard debit transaction processing. This means you may use your Debit Card on a PIN-Debit Network* (a non-Mastercard network) without using a PIN. The non-Mastercard debit network(s) for which such transactions are enabled are the STAR Network. Examples of the types of actions that you may be required to make to initiate a Mastercard transaction on your Debit Card include signing a receipt, providing a card number over the phone or via the Internet, or swiping the card through a point-of-sale terminal. Examples of the types of actions you may be required to make to initiate a transaction on a PIN-Debit Network include initiating a payment directly with the biller (possibly via telephone, Internet, or kiosk locations), responding to a logo displayed at a payment site and choosing to direct payment through that network, and having your identity verified using known information derived from an existing relationship with you instead of through use of a PIN. The provisions of your agreement with us relating only to Mastercard transactions are not applicable to non-Mastercard transactions.

4. Telephone Banking Service

If we approve the telephone banking service for your accounts, you will select a personal six digit access code. You must use your access code along with your account number to access your accounts. At the present time you may use the telephone banking service to:

- Transfer funds between your savings, checking, and loan accounts, including loan payments and transfer funds to accounts of other members, as authorized.
- Obtain balance information on your account.
- Verify the last date and amount of your deposit.
- Determine if a particular draft or check has cleared your account.
- Obtain balance and payment information on loan accounts.
- Other transactions as offered and permitted in the future.

Your accounts can be accessed under the telephone banking service. Telephone banking service will be available for your convenience seven days per week. This service may be interrupted for a short time each day for data processing. While there is no limit to the number of inquiries, transfers, or withdrawal requests you may make in any one day, there are limitations on transactions you make per telephone calls. For security purposes, there are limits on the frequency and amount of transfers you may make using the Telephone Banking Service.

While there is no limit to the number of inquiries, transfers from a savings account will be limited to six (6) in any one (1) month. If a transfer request would exceed the transfer limitations, the Credit Union will impose a fee. No transfer or withdrawal may exceed the available funds in your account. The Credit Union reserves the right to refuse any transaction that would draw upon insufficient funds, exceed a credit limit, or lower an account below a required balance. All checks are made payable to the business and mailed to the business address of record. The Credit Union may set other limits on the amount of any transaction, and you will be notified of those limits. The Credit Union may refuse to honor any transaction for which you do not have sufficient available verified funds. The system will discontinue service after five unsuccessful attempts to enter an access code.

5. Online Banking

- a. **Online Banking Transactions.** For the Online Banking Service, you may use your web browser-equipped device to access your accounts. You must use your access code along with your member ID to access your accounts. The Online Banking Service is accessible seven days a week, 24 hours a day. You will need a web browser-equipped device with access to the Internet. The online address for Online Banking Service is www.stcu.org. You are responsible for the installation, maintenance and operation of your computer. The Credit Union will not be responsible for any errors or failures involving any data or communication service or your computer. At the present time, you may use the Online Banking Service to:

- Transfer funds between your savings, checking and loan accounts.
- Transfer funds to accounts of other members.
- Review account balance, transaction history, and tax information for any of your accounts.
- Review information on your loan accounts including payoff amounts, due dates, finance charges, interest rates, and balance information.
- Review certificate information of yours.
- View online statements, online cleared check images or secure messages of yours.
- Make bill payments through Billpay.
- Download account transaction information into personal finance software programs.
- Issue stop payment orders on checks.
- Update your address, email, phone number and establish electronic alerts.
- Re-order checks.
- Other transactions as offered and permitted in the future.

Transactions involving your deposit accounts, including checking account stop payment requests, will be subject to the terms of your Membership and Account Agreement and transactions involving a Line of Credit account will be subject to your Loan Agreement and Disclosures, as applicable.

- b. *Online Banking Limitations.* The following limitations on Online Banking transactions may apply in using the services listed above.
- i. *Transfers.* You may make funds transfers to other accounts of yours as often as you like. However, transfers from your savings accounts will be limited to a total of six in any one month. You may transfer or withdraw up to the available balance in your account or up to the available credit limit on a line of credit at the time of the transfer, except as limited under this Agreement or your deposit or loan agreements. The Credit Union reserves the right to refuse any transaction that would draw upon insufficient or unavailable funds or lower an account below a required balance. If a transfer request would exceed the transfer limitations set forth above in any statement period, the Credit Union will impose a fee.
 - ii. *Account Information.* The account balance and transaction history information may be limited to recent account information involving your accounts. Also, the availability of funds for transfer or withdrawal may be limited due to the processing time for ATM transactions, or mobile deposits and our Funds Availability Policy.
 - iii. *E-Mail.* You may use the secure E-mail to send messages to us. E-mail may not, however, be used to initiate transactions on your account or stop payment requests. The Credit Union may not immediately receive E-mail communications that you send and the Credit Union will not take action based on E-mail requests until the Credit Union actually receives your message and has a reasonable opportunity to act. If you need to contact the Credit Union immediately regarding any unauthorized transaction or stop payment request, you may call the Credit Union at the telephone number set forth in Section 13.
- c. *Enrollment in Services; Accounts Which Can Be Accessed.* In order to enroll in and use the Services, you should engage the self-service online process at www.stcu.org. Within each login STCU automatically aggregates accounts associated with a particular membership. Linking accounts from other memberships to a login may require additional steps. By enrolling in the Services, you authorize us to process transactions for you as requested by you or your representative from time to time, and you authorize us to post transactions to your account(s) as directed. You further authorize us to make automatic payments in such manner as you direct.
- d. *Electronic Instructions.* You agree that all electronic instructions that we receive on the online banking site or otherwise in connection with the Services, such as those directing us to take action with respect to your account, that match Access Information or other identity information you have provided when enrolling in or using the Services will be deemed valid, authentic, and binding obligations. Pursuant to law and regulations, these electronic instructions therefore will be given the same legal effect as your written and signed paper instructions, shall be considered writing or in writing and shall be deemed for all purposes (i) to have been signed and (ii) to constitute an original when printed from electronic files or records established and maintained in the normal course of business. You agree that electronic copies of communication are valid and you will not contest the validity or enforceability of such instructions or any related transactions, absent proof of altered data or tampering, under provisions of any applicable law relating to whether certain agreements are to be in writing or signed by the party to be bound thereby, and such copies shall be admissible if introduced as evidence on paper in any judicial, arbitration, mediation or administrative proceeding to the same extent and under the same conditions as other business records originated and maintained in documentary form.

You agree (to the maximum extent permitted by law) to hold us harmless and protect and indemnify us from and against any and all claims, losses, liability, damages and/or demands (including, without limitation, reasonable attorneys' fees and court costs) of any kind, direct or indirect, arising out of or in any way connected with any Services rendered by us pursuant to or in accordance with any and all electronic instructions for which we have attempted to verify your identity as set forth above.

BECAUSE E-MAIL IS NOT A SECURE METHOD OF COMMUNICATION OVER THE INTERNET, WE RECOMMEND YOU DO NOT SEND CONFIDENTIAL INFORMATION BY E-MAIL. PLEASE BE AWARE YOU CANNOT USE E-MAIL TO INITIATE TRANSACTIONS ON YOUR ACCOUNT(S).

Instead, we recommend all communication be sent via secure messaging through the "Secure Messages" section of the online banking site. Secure messages you receive through the Service are available online for up to 180 days, unless you delete them before then. For account transactions, please use the appropriate functions available through the Services or call us at (800) 858-3750.

- e. *Alerts.* Online banking offers both automated system alerts and opt-in alerts. System alerts are sent to your registered e-mail address or telephone number for security purposes to authenticate your identity. Some of these alerts are part of the Service and are not optional. In addition to security alerts, you may choose to receive additional alerts regarding other information delivered by secure messaging, e-mail or telephone. You will be asked to provide contact information when you sign up for the alert. By signing up to receive any opt-in alerts, you represent and warrant to us that the e-mail addresses or telephone numbers you provide are owned by you or authorized by the rightful owner to be used by you. You consent to delivery of such opt-in alerts, in the format selected, to the contact telephone numbers by text message, or e-mail addresses you identify or provide. You are responsible for maintaining, in the Service, any changes to your e-mail addresses and telephone numbers to which alerts are sent. To stop receiving any optional alerts, log into online banking and in the Alerts section select the alert you would like to delete. Your full account number will not be included in any alert. However, alerts may contain information about your accounts. Information, including but not limited to, account balances and payment due dates may be included in the alert, depending on the specific type of alert or how you configure it. Anyone with access to your e-mail, mobile device, and or telephone services may be able to access the contents of alerts. It is your responsibility to secure these devices, protect your Member ID and password, and provide timely information about telephone or e-mail contact changes in order to protect the confidentiality of this information. You consent to any disclosures by us which may occur if you do not take appropriate steps to prevent access to your information by unauthorized persons.

We endeavor to provide alerts in a timely manner with accurate information. However, we do not guarantee the delivery or accuracy of the contents of any alerts. Alert balances will not reflect pending transactions. If you require additional details about a transaction you can log into online banking or call us at (800) 858-3750. You agree we shall not be liable for any delays, failure to deliver, or misdirected delivery of any alert; for any errors in the content of any alert; or for any actions taken or not taken by you or any third party in reliance on an alert.

- f. *Transfers.* Online transfers include (i) internal transfers, (ii) member-to-member transfers, (iii) external transfers, and (iv) wire transfers.

"Transfers" shall mean any combination of Internal Transfers, Member-to-Member Transfers, External Transfers, and/or Wire Transfers.

"Internal Transfers" shall mean monetary transfers between your accounts at the Credit Union.

"Member-to-Member Transfers" shall mean monetary transfers between one of your accounts at the Credit Union and another Credit Union member's account.

"External Transfers" shall mean monetary transfers between one of your accounts at the Credit Union and one of your accounts at another financial institution.

"Wire Transfers" shall mean domestic monetary transfers, using the Fedwire system of the Federal Reserve Bank, between one of your accounts at the Credit Union and an account you specify at another financial institution.

Funds transfers are subject to this Agreement and your STCU Business Membership and Account Agreement.

We reserve the right to refuse or cancel a transfer. We are obligated to notify you promptly if we decide to refuse or cancel any transfer request that complies with these terms and conditions. However, we are not obligated to provide notification of your transfer being refused or cancelled if you attempt to make transfers that are prohibited under this agreement, any additional agreement affecting your terms of your account(s), or federal and state law.

We reserve the right to impose a limit to the dollar amount of transfers and/or a limit to the total number of transfers that may be requested. We reserve the right to place a hold on any funds prior to debiting your funding account for the transfer amount. You are required to have sufficient funds available in the funding account of any transfer request(s) by the opening of business the day the transfer is to be processed.

In the event that a debit to any of your internal or external linked accounts, or any portion of any such debit, has failed and the credit side of such transaction has been released and cannot be collected, and we are unable to debit either the debited or the credited account as set forth above, we reserve the right, and you shall authorize us, to debit any of your internal accounts (including accounts upon which you are listed as joint account holder) to the extent necessary to offset any resulting deficiency. If the debit side fails or is returned for any reason and the credit side has been released and cannot be collected, you authorize us to collect from the external account to which the credit side of the funds transfer was sent. We reserve the right to resubmit a debit, or a portion of the debit, in the event of an insufficient or uncollected funds return and if we cannot collect the amount credited you authorize us to debit the credited account or the debited account in either the same dollar amount as the original funds transfer or a portion of the debit. If we are unable to recover from you, then the recovery process set forth in the Membership and Account Agreement will apply. You will also be held responsible for any additional fees charged in accordance with our Yields and Fees Schedule.

An External Transfer must be properly submitted using the Service by 1:00 p.m. Pacific Time to be processed the same Business Day, otherwise it will be processed on the following Business Day. For External Transfers, we reserve the right to wait a period of no more than three (3) business days after debiting your account prior to submitting a credit to the destination account of the transfer, and/or place a hold on a credit to the destination account of the transfer.

When you schedule any type of transfer or recurring transfer for a future date using the Service, it must be properly submitted at least one (1) calendar day prior to the desired processing date. All scheduled or recurring transfers for a future date will only be processed on Business Days. If the future date for processing is not a Business Day, the transfer will be processed on the next Business Day following the scheduled date.

If approved, you may initiate domestic wire transfers from your account. A Wire Transfer must be properly submitted using the Service by 12:00 p.m. Pacific Time to be processed the same Business Day, the transfer will be processed on the following Business Day. Wire Transfers are subject to final approval by us.

With respect to ACH transactions, if you receive credit for the completion of a transfer but there are/were insufficient funds available in your account and/or the debit to your account is returned for any reason you understand and agree that you are responsible for reimbursing us for the amount of the transfer, along with any additional fees in accordance with our Yields and Fees Schedule. You further understand that any and all ACH transactions processed by us is purely at our discretion and that the payment by us under these circumstances in no way obligates us to pay the same or similar bills in the future. ACH payments are governed by the rules of the National Automated Clearing House Association.

g. P2P External Transfers

P2P is a service that allows users to send money via Online Banking or Mobile Banking to others using a cell phone number or an email address through a network we select. Certain merchants offer P2P service apps to enable a person to send or receive one-time electronic money transfers through a debit card. You may use your account or card to transfer funds to third parties through money transfer applications. The payment application you select is a payment service provider that helps you make payments to persons you designate. We are not responsible for the identity of any recipient to whom you have authorized a payment or to ensure that a recipient will complete a transaction. If you don't know the person, or you aren't sure whether you'll get what you paid for (for example, items bought from an online bidding or sales site), you shouldn't use a P2P money transfer service to make a payment. You authorize the Credit Union and the payment network, directly or through authorized third parties, to make any inquiries considered necessary to validate your identity. This may include asking you for further information, requiring you to take steps to confirm ownership of your email address or financial instruments, and verifying your Information against third party databases or through other sources. The Credit Union will, at its sole discretion, authorize the use of P2P payments and may at its sole discretion disallow the use of P2P payments from any Credit Union member. When an Online Banking P2P Payment is made, the funds are withdrawn from your account within 1-3 business days. It is your responsibility to have the funds available when you initiate the transaction and maintain those funds in the account for withdrawal. You agree that such requests constitute your authorization to us and the payment network to make the Transfers. Once you have provided your authorization for the Transfer, you may not be able cancel the electronic Transfer. You agree that you are fully responsible and liable for any transaction errors or damages or claims resulting from your set up and initiation of a P2P transfer. There is no protection program offered for any authorized payments made through P2P services - for example, if you don't receive the item you paid for or the item isn't as described or as you expected. If you choose to utilize a P2P service, this is considered the equivalent to sending cash.

h. *Service Guarantee.* If we do not properly complete a transfer to or from your account on time or in the correct amount according to our agreement with you, we will be liable for the amount of any losses or damages incurred by you and resulting directly from such failure up to \$50.00. We will not be liable in the following instances:

- i. If through no fault of ours, you do not have enough money in your account to make the transfer.
- ii. If the circumstances beyond our control (such as fire, flood, power outage, equipment or technical failure or breakdown) prevents the transfer, despite reasonable precautions that we have taken.
- iii. If there is a hold on your account, or if access to your account is blocked, in accordance with credit union policy.
- iv. If your funds are subject to legal process or other encumbrance restricting the transfer.

- v. If your transfer authorization terminates by operation of the law.
 - vi. If you believe someone has accessed your accounts without your permission and you fail to notify us immediately.
 - vii. If you have not properly followed the scheduling instructions on how to make a transfer included in this agreement.
 - viii. If we have received incomplete or inaccurate information from you or a third party involving the account or transfer.
 - ix. If we have a reasonable basis for believing that unauthorized use of your Password or account has occurred or if you default under this Agreement, the Membership and Account Agreement, a credit agreement or any other agreement with us, or if we or you terminate this agreement.
- i. There may be other exceptions stated in this agreement and in other agreements with you. In no event shall we be liable for damages in excess to your actual loss due to our failure to complete a transfer, and we will not be liable for any incidental or consequential damages. If any of the circumstances listed in (ii) or (viii) above shall occur, we shall, upon request from you, assist you with reasonable efforts in taking appropriate corrective action to reprocess the transactions that may not have been completed or to correct incorrect transactions that have been processed.

6. Billpay

You may use BillPay to authorize online bill payments. You may authorize new payment instructions or edit previously authorized payment instructions for bill payments that are either periodic and nonrecurring (i.e. payments on merchant charge accounts that vary in amount) or automatic and recurring (i.e. fixed mortgage payments). When you transmit a bill payment instruction to us, you authorize us to transfer funds to make the bill payment transaction from the account you designate. We will process bill payment transfer requests only to those creditors the Credit Union has designated in the User Instructions and such creditors as you authorize. The Credit Union will not process any bill payment transfer if the required transaction information is incomplete. If there are insufficient funds in your account to make the bill payment request, we may either refuse to make the payment or make the payment and transfer funds from any overdraft account, if applicable.

The Credit Union reserves the right to refuse to process payment instructions that reasonably appear to the Credit Union to be fraudulent or erroneous. The Credit Union will withdraw the designated funds from your account for the bill payment transfer by midnight on the date you schedule the payment to be delivered by. The Credit Union will process your bill payment transfer within one business day of the date you schedule for payment.

It is your responsibility to schedule your bill payments in such a manner that your obligations will be paid on time. You should enter and transmit your bill payment instructions at least six (6) days before a bill is due for check payments and two (2) days before for electronic payments. You are responsible for any late payments or finance charges that may be imposed as a result of your failure to transmit a timely payment authorization. If you schedule a payment for a future date and you close all accounts, these future payments are not automatically canceled and will still be sent unless you cancel them. If you fail to cancel future payments you will be liable for any balance owed.

You may cancel or stop payment on periodic bill payments and automatic, recurring bill payment instructions under certain circumstances. If you discover an error in or want to change a payment instruction (i.e. payment date or payment amount) for a periodic or automatic payment you have already scheduled for a transmission through the Online Banking service, you may electronically edit or cancel your payment request through the Online Banking Service. Your cancellation request must be entered and transmitted through the Online Banking Service before the date you have scheduled for payment. If your request is not timely entered, you will be responsible for the payment. If you wish to place an oral stop payment on an automatic, recurring bill payment transaction, not using the Online Banking service, the Credit Union must receive your oral stop payment request at least three (3) business days before the next payment is scheduled to be made. You may call the Credit Union at the telephone number set forth in Section 13 to request a stop payment. If any automatic, recurring payments vary in amount, the company you are going to pay will tell you ten (10) days before each payment, when it will be made and how much it will be.

7. Electronic Check Transactions

You authorize us to honor any electronic check conversion transaction and re-presented check fee debit transactions you authorize ("electronic check transactions"). You agree that your authorization for an electronic check transaction occurs when you initiate such a transaction after receiving any notice regarding the merchant's right to process the transaction, including any written sign provided by the merchant at the time of your transaction. All terms governing electronic funds transfer services will apply to electronic check transactions, except the \$50 and \$500 limits of liability for any unauthorized transactions in Section 13 Member Liability. You remain responsible for notifying us of any unauthorized electronic check transaction shown on your statement.

8. Preauthorized Electronic Funds Transfers

Preauthorized electronic funds transfers may be made into or from your Credit Union accounts. These may include preauthorized electronic funds transfers made to an account from a third party or from an account to a third party (such as excluding bill payment transactions). If electronic funds transfers are made into or from your account, those payments may be affected by a change in your account status or if you transfer or lose your account.

9. Mobile Banking

- a. *Service Access.* Mobile Banking is a personal financial information management service that allows you to access account information and make transactions as set forth above using compatible and supported mobile phones and/or other compatible and supported wireless devices ("Mobile Device"). For the Mobile Banking service, you must use your access code with your member ID to access your accounts. We reserve the right to modify the scope of the Mobile Banking at any time. We reserve the right to refuse to make any transaction you request through Mobile Banking. You agree and understand that Mobile Banking may not be accessible or may have limited utility over some mobile telephone networks, such as while roaming. The most up-to-date list of services which you may be able to access through Mobile Banking is available within the Mobile Banking registration process. When you register for Mobile Banking, designated accounts and payees (or billers) linked to your account through Online Banking and Bill Payment services will be accessible through the Mobile Banking service.
- b. *Use of Services.* You accept responsibility for making sure that you understand how to use Mobile Banking before you actually do so, and you use Mobile Banking in accordance with the instructions we make available on our website at STCU.org. You also accept responsibility for making sure that you know how to properly use your Mobile Device and the Mobile Banking software application. In the event we change or upgrade Mobile Banking, you are responsible for making sure that you understand how to use Mobile Banking as changed or upgraded. We will not be liable to you for any losses caused by your failure to properly use Mobile Banking or your Mobile Device.
- c. *Transactions.* At the present time, you may use the Mobile Banking account access service to:

- Make bill payments from your checking account using the Bill Payment service.
 - Make deposits from a mobile device.
 - Communicate with the Credit Union using Secure Messaging.
- d. *Relationship to Other Agreements.* You agree that when you use Mobile Banking, you will remain subject to the terms and conditions of all your existing agreements with us or any service providers of yours, including service carrier or provider (e.g., AT&T, Verizon, Sprint, T-Mobile etc.). You understand that those agreements may provide for fees, limitations and restrictions which might impact your use of Mobile Banking (for example, your mobile service carrier or provider may impose data usage or text message charges for your use of or interaction with Mobile Banking, including while downloading the Software, receiving or sending Mobile Banking text messages, or other use of your Mobile Device when using the Software or other products and services provided by Mobile Banking), and you agree to be solely responsible for all such fees, limitations and restrictions. You agree that only your mobile service carrier or provider is responsible for its products and services. Accordingly, you agree to resolve any problems with your carrier or provider directly with your carrier or provider without involving us. You also agree that if you have any problems with Mobile Banking, you will contact us directly.
- e. *Mobile Banking Software License.* You are hereby granted a personal, limited, non-transferable, non-exclusive, non-sublicensable and non-assignable license ("License") to download, install and use the Software application on your Mobile Device within the United States and its territories. In the event that you obtain a new or different Mobile Device, you will be required to download and install the Software application to that new or different Mobile Device. By using the Service, you agree to authorize us to access such Third Party Accounts to retrieve such information as requested or authorized by you, or for any other purpose authorized by this Agreement. You represent to us that you have the right to authorize and permit us access to your Third Party Accounts and information. You hereby expressly authorize and permit us to use information submitted by you including account passwords and user names to access your Third Party Accounts to provide the Service. You understand and agree that at all times your relationship with each Third Party Account provider is independent of the Credit Union and your use of the Service. 11. Mobile Deposit.

Mobile Deposit service allows you to make deposits to your accounts using compatible and supported mobile phones and/or other compatible and supported Mobile Devices. You must designate a Credit Union savings or checking account as the settlement account to be used for the purposes of settling, in aggregate, the financial transactions requested in connection with a Mobile Deposit. The Credit Union shall provide you with details of the specific transactions, reported similarly as other transactions may be done, that were a result of access to the service.

Your Responsibility for Deposit Capture Services.

- a. *Funds Availability.* Funds from items deposited through the Mobile Deposit service will generally be available on the second business day following the day of deposit, pending verification of deposit. There may be additional holds on deposited items as set forth in the Credit Union's Funds Availability disclosure, as amended from time to time, which is incorporated herein by reference. For purposes of determining the availability of funds, checks deposited by a Mobile Deposit are considered received by the Credit Union when the checks have cleared and funds are available to the Credit Union. You agree that the scanning and transmitting of checks does not constitute receipt by Credit Union. Acknowledgment of receipt or delivery does not constitute an acknowledgment by the Credit Union that the transmission of a check or items does not contain errors or that funds will be available.
- b. *Deposit Acceptance.* You agree that the Credit Union may at any time, in its sole discretion, refuse to accept deposits of Checks from you by a Mobile Deposit. In the event that a Mobile Deposit is interrupted or are otherwise unavailable, you may deposit checks in-person at a Credit Union branch or via night drop or mail or other contractually acceptable method.
- c. *Responsibility for Scanning.* You are solely responsible for scanning/imaging deposit items, accessing the service from the Credit Union and for maintaining your mobile device. You are responsible for the payment of all telecommunications expenses associated with the service. The Credit Union shall not be responsible for providing or servicing any scanning equipment or mobile device of yours.
- d. *Deposit Requirements.* You agree that you will only use Mobile Deposit to deposit checks drawn on financial institutions within the United States. You must deposit checks not falling within this requirement in person, using a night drop facility or by U.S. Mail. You agree that each check you submit for deposit through Mobile Deposit will meet image quality.
- e. *Check Retention & Destruction.* You understand and agree that all deposit items belong to you and not to the Credit Union and that those items shall be handled in accordance with this Agreement. After receipt by the Credit Union of any transmission by you of imaged items for deposit to your account, the Credit Union will acknowledge by electronic means its receipt of such electronic transmission. Your electronic transmission is subject to proof and verification. You shall retain the original of all imaged items that have been deposited via Mobile Deposit for a reasonable period of time in order to verify settlement and credit or to balance periodic statements, but in no case beyond ninety (90) days from the date processed, and shall properly destroy and dispose of such original checks after such time. During the period that you maintain the original checks, you understand and agree that it must use a high degree of care to protect these original checks against security risks. These risks include, without limitation: theft or reproduction of the original checks (including by employees) for purposes of presentment for deposit of these original checks (i.e., after the original checks have already been presented for deposit via Mobile Deposit), and unauthorized use of information derived from the original checks.

When you destroy and dispose of, the original checks pursuant to the requirements of this Agreement, you understand and agree that it must use a high degree of care when selecting and implementing destruction and disposal procedures. Among other things, these procedures must be designed to ensure that the original checks are not accessed by unauthorized persons during the destruction and disposal process and, once destroyed, the original checks are no longer readable or capable of being reconstructed (e.g., through the use of competent shredding equipment.)

- f. *Endorsement.* All items must be endorsed prior to submitting them via the Mobile Deposit Capture service. Eligible endorsements must include your signature and the statement "STCU Mobile Deposit".
- g. *Financial Responsibility.* You are solely and exclusively responsible for any and all financial risks, including, without limitation, insufficient funds, associated with accessing the service. The Credit Union shall not be liable in any manner for such risk unless the Credit Union fails to follow the procedures described in materials for use of the service. You assume exclusive responsibility for the consequences of any instructions it may give to the Credit Union, for your failure to access the service properly in a manner prescribed by the Credit Union and for your failure to supply accurate input information.

Deposit Prohibitions. You shall not deposit, or attempt to deposit, or allow others, either directly or indirectly, to deposit, or attempt to deposit, by any means:

- Any substitute check, the original of which has already been presented for deposit via the Service;
- Any image of a check that has already been deposited either as an original or as a substitute check;

- Any post-dated or stale-dated check;
- Money orders, traveler's checks, or gift checks;
- Starter checks or counter checks; and

If you or any third party transmits, or attempts to transmit, a deposit in violation of this subsection you agree to defend, indemnify, and hold the Credit Union and its agents harmless from and against all liability, damage and loss arising out of any claims, suits, or demands brought by third parties with respect to any such item. You agree that the aggregate amount of any items which are deposited more than once will be debited from your account, and to the extent funds in your account are insufficient to cover such amount, any balance shall be debited by the Credit Union from any other deposit accounts with the Credit Union in its sole discretion. You further acknowledge that you (and not the Credit Union) are responsible for the processing and handling of any original items which are imaged and deposited utilizing the service and you assume all liability to the drawer of any item imaged using the service or liability arising from the Credit Union's printing of any substitute check from those images.

Credit Union's Obligations.

- a. *Financial Data.* We will transmit all the financial data under its control required to utilize the service selected by you and to act on appropriate instructions received from you in connection with such service. We shall exercise due care in seeking both to preserve the confidentiality of the user number, password, test key, or other code or identifier and to prevent the use of the service by unauthorized persons (and in this connection it is understood and agreed that implementation by the Credit Union of its normal procedures for maintaining the confidentiality of information relating to you, and where practicable the obtaining by the Credit Union from any third parties engaged in the installation, maintenance and operation of the system of similar undertakings, shall constitute fulfillment of its obligation to exercise due care. We will retain any substitute checks we generate for seven (7) years.
