

STCU Terms of Use for Apple Pay

These Terms of Use govern your access consent and use of your Spokane Teachers Credit Union (STCU) credit and debit cards in the Apple Pay application and related features and services offered through STCU. (Terms)

1. Apple Pay & Mobile Card Service.

Apple Pay is available for the purpose of purchasing goods and services with a compatible wireless mobile phone or device with merchants who accept Apple Pay as a form of payment. Apple Pay enables you to create and store virtual representations of your eligible STCU Cards and add account information on your supported device creating a "Mobile Card" that will permit you to use your Mobile Card to authorize and make payments at merchant's point of sale terminals or readers without your plastic STCU Card. Your Mobile Card may not be accepted at all places where your STCU Card is accepted. The purchase transactions with your STCU Card as a Mobile Card will still be governed by your STCU Card Agreement. Apple's Terms & Conditions for the Service describe your rights and obligations regarding the Service.

2. Eligibility & Enrollment

Only STCU Cards that we indicate are eligible can be added as a Mobile Card. If your STCU Card or underlying account is not in compliance with the STCU Card Agreement, that STCU Card will not be eligible to enroll as a Mobile Card. You can add an eligible STCU Card as a Mobile Card by registering the Card through Apple Pay by following the authentication and enrollment requirements.

3. Card & Service Responsibility

You are solely responsible for maintaining the security of your Apple User ID and password. If you share these credentials with any other person, you expressly authorize them to access your personal information, your accounts and use your Mobile Card. STCU is not the provider of the Apple Pay and Mobile Card service, and we are not responsible for providing the service to you.
